Summer 2023

Summer of SERVICE

Everything we do happens because of you! Thanks to our summer volunteers for a wonderful (and very busy!) summer of service. In addition to more than 100 volunteers who serve each and every week, we're grateful for 14 different groups that volunteered for a half day or more, including 5 youth groups.

WORDS OF HOPE

In June WRCH provided more food than any month this year and more clothing than at any time since reopening from the pandemic. This same level of need has continued in July with no end in sight.

While WRCH continues to provide basic needs in the form of food, clothing, and financial assistance to help people remain sheltered with their utilities on (helping today), we're implementing empowerment programs (helping neighbors build brighter futures). An overview appears below.

Dr. Greg Smith
Executive Director

Year 1

1

Develop relationships, introduce empowerment concepts, and connect with internal & external resources

Year 2

2

Provide ongoing support, develop deeper relationships, implement 3+ classes

Year 3

3

One-on-one Empowerment Coaching, longitudinal financial assistance, & wrap around services

NORTH TEXAS GIVING DAY

North Texas Giving Day, the largest regional giving day in the country, is back, and **YOU are necessary** to make this the most successful year ever! WRCH has secured \$45,000 in dollar-for-dollar matching funds. **Your gift will double** the funds available for people in East Dallas who are struggling to provide for their family’s basic needs. Because of your community support, neighbors have a place to find hope and help.

At WRCH targeted interventions aim to increase household stability. Basic things like food, hygiene products, diapers, clothing, shoes, and even financial assistance with a housing or utility bill are available to residents because of your NTXGD gifts. Items many of us take for granted can have a huge impact on the overall well-being of a family without the essentials.

When you make an **online gift** to WRCH **through the NTX Giving Day link**, you are providing a family with hope. Every gift of love (up to \$45,000) **will be doubled** by our caring partners. This annual event supports East Dallas residents in zip codes 75214, 75218, 75223, 75228, and 75238.

On the single largest fund-raising day of the year, your participation matters!

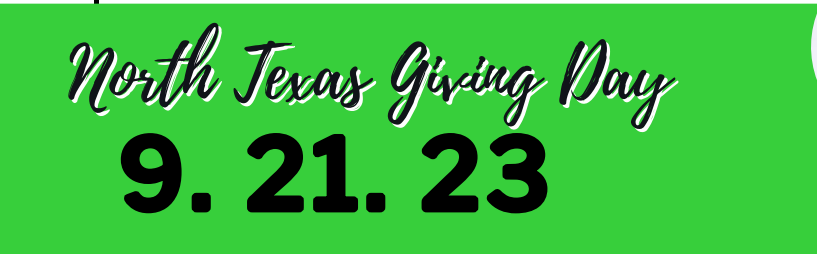

- Visit www.northtexasgivingday.org search “WRCH” or scan the QR code.
- Share your passion with friends and family with a click of your mouse.
- Tell the world what you did in a Facebook post.

Share why you’re passionate about WRCH. Is it feeding neighbors? Is it making sure that moms and babies have diapers and school uniforms? Is it to ensure that no one becomes homeless this month because they spent rent on medicine? Share your passion and give with purpose!

On **September 21, 2023**, be sure to stop by the **WRCH Thrift Store** donation station for door prizes, music and more. This onsite giving day celebration is for everyone from **10AM to 4PM** at 10021 Garland Road.

If you can’t make it, we will miss you!
 Still worried you might forget?
You can make your gift as early as September 1, and your impact will be multiplied.
