WORDS OF HOPE

We are called to do big work in people's lives: providing food, clothing, and assistance with shelter to neighbors in East Dallas. \$100,000 was big goal! In response, you stepped up and demonstrated amazing generosity. More than 230 households made a financial donation setting a new record for WRCH. The money you donated is already making an impact.

On behalf of the families we serve, thank you!

Dr. Greg Smith
Executive Director

Thank you!

HELP WANTED

We need volunteer helpers on Saturdays, Wednesdays, Mondays, for two to four hours a shift. Other days and times are also available. Come find out how you can get involved, and perhaps even become an ambassador in the community.

The final volunteer orientation of the calendar year will be held on November 4. This is a great opportunity for new volunteers to learn more and for prospective volunteers as well as long-time supporters to learn more about all that WRCH does as it seeks to create and East Dallas where all thrive.
