The North Texas Food Bank recently awarded WRCH the largest single grant WRCH has ever received. The nearly \$63,000 capacity building grant for the Food Pantry afforded us the opportunity to purchase new warehouse shelving, gondola shelves, carts and bins, a 3-door freezer, a 3-door refrigerator, and two new produce coolers. These equipment upgrades increase our capacity to serve and empower our neighbors.

# Words of Hope

Over the last 3 years, WRCH has been transformed and is now well positioned for continued growth. As part of this commitment, the Food Pantry has begun making a deeper impact. This emphasis has led to an increase in the pounds of food distributed and improvements to the overall experience.

In January, WRCH launched a drive through style food distribution. These events are scheduled for the 1st and 3rd Saturday of every month and staffed by volunteer groups.
