## WORDS OF HOPE

Several times a week and in nearly every setting imaginable I get asked some version of the question, "What does White Rock Center of Hope do?" My new answer is found on the front cover of this edition: WRCH cultivates hope. When people are in crisis, WRCH is here for them providing hope in the form of food and clothing while ensuring they remain housed and their power stays on. When people are stable but struggling, WRCH is here for them with a small but growing number of classes and workshops that foster personalized empowerment, helping people take the next steps toward the big goals they have for their lives.

**Dr. Greg Smith**  
*Executive Director*

I invite you to join me in making possible the work of hope. Shop. Donate. Volunteer. Be an ambassador of hope - White Rock Center of Hope.
